

## Garden Villa

The Garden Villa is 10' x 12' in size and can provide a finished look to any back yard setting. With fiberglass screening on all walls and gable ends to afford additional privacy and protection from insects, this gazebo will ensure your spa is enjoyed to the maximum of its potential. The gazebo comes with 4 x 4 cedar roof planking in 32" sections that lock together for easy construction, and is reinforced with 4 x 4 cedar roof trusses for additional support.
